TRAILERS 2000™

AUSTRALIA'S FAVOURITE TRAILER

This is a galvanised car trailer to beat them all. It is specially constructed to handle the weight of a car and equipped with heavy duty tie points and low sides for ease of use and comes with unbeatable 2 year Warranty and FREE 2 years Roadside Assist. The checkerplate floor is strong and durable and the galvanised steel construction and full chassis makes this trailer a car carrying dream. The standard Aggregate Trailer Mass (ATM) for this trailer is 2000kg but options are also available in 2490kg and 3000kg (ATM). Features included on every trailer we make include: new wheels and tyres, longer drawbar, disc brakes, jockey wheel and a magnetic trailer plug. Options such as electric brakes and rocker suspension are also available. More than just a car carrier, this trailer is also suitable for carrying machinery and equipment, lawn mowers and tanks.
