TRAILERS 2000™

AUSTRALIA'S FAVOURITE TRAILER

The range of heavy duty hot dip galvanised trailers are made tough for Australian conditions. Whether you are carrying a load up the road or across the country you want to rely on the trailer you own to do the job. Our trailers are built to last. Australian made for Australian conditions, and come with unbeatable 2 year Warranty and FREE 2 years Roadside Assist. Check out the outstanding features you get with these trailers: hot dip galvanised, checkerplate floor, full chassis, longer drawbar, jockey wheel clamp, spare wheel bracket, new wheels and tyres, LED lights and magnetic trailer plug. This range of heavy duty galvanised trailers are available in single axle heavy duty and heavy duty off road. The single axle and off road models are available in 6 x 4, 7 x 4, 7 x 5 and 8 x 5. It doesn't stop there though. Other features include 400mm high sides, Wear plate under springs, full rear cross member, 750kg Aggregate Trailer Mass (ATM). Utility corner posts mean that your trailer is ready to add a cage any time you want. There are options available for deeper sides, mechanical or electric brakes and shackle. These heavy duty trailers include full chassis with cross members around every 300mm and heavy duty tie rails all round. Accessories such as cages, tonneau covers, tradesman's tops, pantec tops, ladder racks, drop-in bike racks, jockey wheels and spare wheels are available on all trailers.
