

UNIQUE FEATURES

Trailers 2000 offers a premium range of Australian made painted galvanised trailers. All trailers feature high quality Australian designed parts and accessories and are supplied to the following superior specifications:

GALVANISED STEEL CONSTRUCTION

Trailers 2000 trailers are made from galvanised steel so you have the confidence in knowing your trailer body and chassis are fully protected from the elements.

BRAND NEW WHEELS AND TYRES

Every Trailers 2000 trailer comes with brand new wheels and tyres.

MAGNETIC TRAILER PLUG

Every trailer comes fitted with Australia's only magnetic trailer plug, which means when not hitched up you can prevent damage to your connector plug by attaching it to your trailer drawbar.

STRONGER CONSTRUCTION

Our trailers are made from strong and durable galvanised steel sections that are designed specifically to ensure that every trailer is built tough enough to withstand any kind of work and last longer in Australia's harsh conditions.

Available in 12 fantastic colours, plus a full range of accessories to fit out your trailer.
