PER DAY

Need a  
Trailer  
Fast?

## The big difference

Half the rent actually goes towards paying off your trailer.

### Tax Effective

If you use your trailer for work or business with Rent then Buy all the rent you pay is 100% tax deductible.

### No Obligation to buy

You can continue to rent the trailer for as long as you like and you can buy the trailer when it suits you. You even have the option to return the trailer after 12 months should you choose to do so. Should you choose to continue to rent the trailer after the first year then we will reward you by reducing the rental fee dramatically from the start of the second year.

### Benefits Include

- Half the rent goes towards paying off your trailer
- Rent then Buy costs a fraction of the cost of conventional trailer rental
- Rent a brand new trailer built exclusively for you to suit your needs
- 100% Tax Deductible

Rent for a minimum 12 month period after which you have options.

At the end of year one you have the option to buy the trailer. If you choose this option, around 50% of the rent paid in the first year goes towards paying off your trailer and the buyout price of the trailer reduces by that amount.

### Another Great Benefit

You receive free 12 month membership to the exclusive Trailer Assist.

This 24 Hour 7 Day Emergency Roadside Assistance Service offers you benefits such as Free Towing and Transport, Replacement Hire Trailer, Accommodation and Car Hire. Members have the peace of mind in the knowledge that you and your trailer are safe in the event of an unforeseen breakdown incident.

Annual membership is FREE for the first year with your Rent then Buy offer. (Annual Membership fee \$29.00)

**There are no finance contracts with Rent then Buy and the application is quick and easy.**

We recommend you speak with your accountant to determine independent tax advice regarding the amount you may be entitled to claim.
