

## UNIQUE FEATURES

Trailers 2000 offers a premium range of Australian made, painted galvanised box trailers, without the premium price tag! All trailers feature high quality Australian designed parts and accessories and are supplied to the following superior specifications:

### GALVANISED STEEL CONSTRUCTION

Trailers 2000 painted trailers are made from zincanneal, which is galvanised steel and then painted so you have the confidence of knowing that your trailer body and chassis are fully protected from the elements.

### BRAND NEW WHEELS AND TYRES

Every Trailers 2000 trailer comes with brand new wheels and tyres.

### MAGNETIC TRAILER PLUG

Every trailer comes fitted with Australia's only magnetic trailer plug, which means when not hitched up you can prevent damage to your connector plug by attaching it to your trailer drawbar.

### STRONGER CONSTRUCTION

Our trailers are made from strong and durable galvanised steel sections that are designed specifically to ensure that every trailer is built tough enough to withstand any kind of work and last longer in Australia's harsh conditions.

Over 30 models available in 12 fantastic colours, plus a full range of accessories to fit out your trailer.

Golf Buggy Trailer

Off-Road Trailer

## Trailers 2000 Painted Range also includes:

### Off-Road Trailers

Built tough for off-road conditions, standard with deep sides, heavier suspension, longer drawbar, off-road axle and 16 x 6 stud hubs.

### Golf Buggy Trailers

Built lower to the ground and with a tilt to make loading easy. This versatile golf buggy trailer can also double as a box trailer for use around the home or business.

### Tradesman and Pantec Trailers

Perfect for all kinds of work, these trailers keep your valuables safe and offer added protection from the elements.

### Universal, Flat Deck and Car Carriers

This range covers a large number of uses from carrying lawnmowers to farm machinery and motor vehicles. So if you have a special purpose and need a trailer that can be used for a whole lot of different purposes then this range may be for you.

### Luggage and Enclosed Trailers

Designed to carry luggage or goods behind buses and suitable vehicles, these trailers are available in single axle and tandem axle models.
